

Aspire... Teach... Achieve

Science

for Secondary Schools

GCSE / A-Level

Weds 6 February 2019

2pm—4pm

**Do you need help with schemes of work?
Are you looking for new initiatives in Science?**

Our successful Science department can help you to:

- Design courses to improve long term learning
- Implement a range of effective and efficient assessment strategies
- Organise and deliver Required Practicals
- Plan and implement effective exam preparation strategies
- Reduce the reliance on out-of-lesson intervention and revision sessions

£30 per person

based on a minimum

of 8 attendees

Location: Highworth Grammar School. Wednesday 6 February 2019

To book your place contact office@ashfordteachingalliance.co.uk

We can also offer bespoke training. Session times and dates can be arranged to suit and training can be held in your school or at an alternative venue if you prefer. Training costs will be kept to a minimum. If you are interested in arranging this please make an enquiry with an outline of what you would like.

Highworth Grammar School, Maidstone Road, Ashford TN24 8UD
